**RESIDENCY REQUIREMENT**

School District 206 requires proof of legal residency in order to attend District 206 schools. At the time a new student is registered, parent or guardian will be required to provide proof of residency.

Registration of a student who is not a legal resident of School District 206 is a fraudulent act. Any student found to have been fraudulently registered will be withdrawn from the district immediately and the parent or guardian will be assessed tuition for the time the child attended.

I certify that I understand the residency requirement and that I know the penalty for fraudulent registration.
